Griffith & Pidgeon, with plates by Gray (1833-1834), online at the Biodiversity Heritage Library.

A manual of the land and fresh-water shells of the British islands (1840) by Turton & J. E. Gray online at the Biodiversity Heritage Library.

List of the shells of the Canaries in the collection of the British Museum. Collected by MM. Webb and Berthelot. Described and figured by Prof. Alcide d'Orbigny by J. E. Gray (1854) online at the Biodiversity Heritage Library.

List of the shells of Cuba in the collection of the British Museum, collected by M. Ramon de la Sagra. Described by Prof. Alcide d'Orbigny (1854) online at the Biodiversity Heritage Library.

List of the Mollusca in the British Museum: Volutidae (1855) online at the Biodiversity Heritage Library.

List of Mollusca and shells in the collection of the British Museum, collected and described by MM. Eydoux and Souleyet (1855) online at the Biodiversity Heritage Library.

Notes on date of: Mollusca. Pp. 474-496, in: P. P. King, *Narrative of a survey of the intertropical and western coasts of Australia* (1826) given in Annex 1 to this list.

Collation of J. E. Gray, *Zoological Miscellany* (1831-1844) given in Annex 1 to this list.

Collation of Griffith & Pidgeon, *Animal kingdom of Cuvier* (1833-1834), with molluscan names by Gray, in Annex 1 to this list.

Collation of J. E. Gray & G. B. Sowerby I, 1839. *Molluscan animals and their shells*, in: *The zoology of Captain Beechey's voyage* given in Annex 1 to this list.

Gray, John S. (19**-****; Norway)

- Microgrowth bands in *Cerastoderma* (1988).

Gray, Leon (1974-20**; U.S.A.)

- *Giant Pacific octopus: the world's largest octopus* (2013).

Gray, Maria Emma [née Smith] (1787-1876; U.K.)

- Spouse of J. E. Gray.

M. E. Gray, 1842-1857. Figures of molluscan animals selected from various authors. Etched for the use of students, London: Longman, Brown, Green and Logmans, 4 vols. [portrait on frontispiece of vol. 4, 1850].

Taylor, 1904: 136, 138 [portraits].

Hamilton, 1906: 44.

A. C. Townsend, 1938. A note on Gray (Maria Emma) Mrs.: "Figures of molluscan animals," etc. *Journal of the Society for the Bibliography of Natural History* 1(5): 129.
